

## **International Shipments and Export Limitations**

Fuel Safe ships internationally on a regular basis. Customers may contact our sales staff either by telephone at (800) 433-6524 or e-mail at [sales@fuelsafe.com](mailto:sales@fuelsafe.com) to place an international order.

Shipping for ***online*** orders is limited to shipping within the USA.

Our standard method of shipment is FedEx. All costs associated with the exportation of customer shipments, including the use of freight forwarders, customs duties, taxes and licenses will be the sole responsibility of the purchaser.

Our policy is to comply with U.S. export control laws. Export control laws restrict certain types of information, technologies, and commodities that can be transmitted overseas to individuals, including U.S. citizens, or made available to foreign nationals on U.S. soil.
