

# CUSTOM WORKS

## Fuel Safe Custom Works™

Long known for their superiority in performance and safety, Fuel Safe Racing Cells® can be fabricated in any shape imaginable. Whether you need an OEM fuel tank lined with a racing bladder or a complete fuel cell, Fuel Safe has you covered.

From the world famous record holding Thrust Rocket Car to a Formula SAE racer and everything in between, we can fulfill nearly any need. Fuel Safe has materials compatible with any fuel you may want to use, from race gas to alcohol blends.

Each Custom Works' component is hand made from your drawing, mockup, or supplied container. Have a shape that contains radiused corners, contours, multiple angles? No problem.

Fuel Safe has some of the finest fabricators in the world and can manufacture state-of-the-art containers and hardware that provides the finishing touch to any project.
