The Tough Cell by Fuel Safe

The DP-10-P is a custom fuel cell designed specifically for the Polaris Razor but will work with any vehicle requiring an FIA approved racing fuel cell. The ultra tough FIA-FT3 approved Pro Cell® and race quality hardware are housed in a polished aluminum diamond plate container that is both durable and good looking. Pro Cell® 10 gallon - 24" x 15" x 8" (1" flange not included) - Part No. DP-10-P

The DP-12-E has been designed around Fuel Safe's economical 12-gallon Enduro bladder. The fuel cell comes with an FIA-FT3 approved Enduro bladder and race quality hardware housed in a polished aluminum diamond plate container. Whether you're looking to cross the finish line first or increase the range of your UTV, the Tough Cell® will get the job done! Enduro Cell® 12 gallon - 20.75" x 17.875" x 9.50" (1" flange not included) - Part No. DP-12-P.
